Calumet County

A Nice Pace To Be

Horseback Riding on the Friendship Trail

Exploring the Caves at Ledge View Nature Center

photo by: Tanya Schmidt

Cuddling the Kittens at Mulberry Lane Farm

Tower at Ledge View Nature Center

Welcome to Calumet County, Wisconsin!

Located on the stunning east shore of Lake Winnebago, you'll find Mother Nature, relaxation, charming small towns and, of course, beautiful lake views.

If you're the "outdoorsy type", this guide's got you covered! Fishing, hunting, boating, parks, trails, caving, camping... everything that you need to know, you'll find in here. You'll even find a wide variety of fun, family-friendly outdoor activities for every season. Fresh air is always a good thing no matter what the temperature outside is!

While our towns might be small, you'll see how each one has a restaurant called a supper club offering large flavors and even larger portions. Calumet County is the "Supper Club Capital of the Midwest®" so there are plenty of these delightful gems to choose from! Our small towns are also home to several artisan stores highlighting the talented folks who call Calumet County home. You might even see how this art culture has made its way onto some of our barns in the form of Barn Quilts. Embark on a road trip to see these works of art.

Whatever you decide to do, have fun making memories and thank you for visiting Calumet County – The Quiet Side of the Lake!

High Cliff State Park

N7630 State Park Rd., Sherwood
(920)989-1106,
http://dnr.wi.gov/topic/parks/name/highcliff/
This popular state park is wooded with majestic cliff faces. It is located along the shores of Lake Winnebago and offers 16 miles of trails. Go exploring, hiking, biking, horseback riding, cross-country skiing, camping, swimming, learn about Native American effigy mounds and climb a 40-foot observation tower.

Ledge View Nature Center

W2348 Short Rd., Chilton, (920)849-7094
www.travelcalumet.com
Ledge View is best known for its cave system. Guided tours available spring to fall. They also have bat and lake sturgeon exhibits. Hit the trails for exploring, hiking, cross-country skiing and snowshoeing. Climb the 60-foot observation tower for a panoramic view from atop the Niagara Escarpment. Various programs and guided adventures available year round.

Meuer Farm

N2564 State Hwy 151, Chilton, (920)418-2676
www.meuerfarm.com
From spring to fall this farm has it all! Spring is maple syrup season, and visitors are welcome to stop by to see how it's made. Summer means strawberries at Meuer Farm. Pick and eat these juicy red berries when the season hits. Hayrides and activity area open summer and fall. In fall, it's corn maze time so get lost on purpose! The pumpkin patch will also be open for picking.

Mulberry Lane Petting Farm

W3190 County Road B, Hilbert
(920)989-3130
www.mulberrylanefarmwi.com
See our ad on page 5
An original farm experience to all who visit. There are plenty of animals to pet, pumpkins to be picked, cows to be milked, and hayrides to be ridden at this petting farm! Open May 3-Oct. 31.

Polly's Pumpkin Patch

N4367 Hwy 57, Chilton, (920)849-4819
www.pollyspumpkinpatch.com
Pick out that perfect pumpkin in fall at Polly's Pumpkin Patch! Polly's grows thousands of pumpkins each year that are different colors and shapes. No two pumpkins are the same! There are more than just pumpkins at Polly's. Be sure to test your skills at the 15-acre corn maze and activity area or enjoy a hayride out to the pumpkin patch.

New Holstein Aquatic Center

1718 Madison Street, New Holstein
(920)898-1373 summer,
(920)898-5766 off season
www.ci.newholstein.wi.gov
See our ad on page 5
Water slides, play areas, and a wading pool are a few of the amenities this outdoor aquatic center offers.

Wanick Choute Park

W4690 Castle Drive, Sherwood
(920)989-1589
www.villageofsherwood.org
A 34-acre park that features a state-of-the-art splash pad, a sledding hill, skating rink and warming house. The park is open from 9am-10pm and has lighting for evening fun!

Discover New Holstein

Enjoy a walk through our prairie.
Each season offers a unique look, wildlife and color.

Come visit the New Holstein Municipal Airport. See the different planes that land in New Holstein during AirVenture Oshkosh in July.

Make a splash at the Aquatic Center on those hot summer days. Take a trip down one of our 3 water slides or relax poolside while the kids play.

This summer, make memories with your family and friends while enjoying all that New Holstein has to offer.

2110 Washington Street, New Holstein
For more information on these or other activities in New Holstein visit us online at
www.ci.newholstein.wi.gov
or call 920-898-5766.

Saturday, April 22
Free Family Fishing Clinic
Langenfeld Pond, Kiwanis Park Community Center
New Holstein, 9:00am-noon
Come learn fishing basics. Everyone is welcome, but children under 10 must be accompanied by an adult. Call Paul at 920-849-4975 to register.

Supper Club Capital of the Midwest

Try one, try them all. No matter where you go, you will not leave disappointed or hungry!

What is a supper club you may ask? The easiest way of putting it….a dining experience like no other that includes a whole lot of food for not too much money. Your experience starts at the bar where the most popular drink ordered is the Old Fashioned. A typical meal may include a relish tray, bread, soup, salad, an entrée such as steak, chicken or fish and ice cream drinks for dessert. Most supper clubs are multi-generational family run businesses and feature recipes that have been around just as long. You can't be in a hurry though. The experience could take a couple of hours, especially if you go on a weekend. Calumet County has plenty of supper clubs to choose from. It is unknown why there are so many in the area, but one theory is because the region was settled by men and women who worked hard in the farm fields and needed a 'night out' at the end of the week. Shown here are the supper clubs in Calumet County. For a map of these supper clubs, along with others just outside the county, order your free Supper Club and Fish Fry Map through the 'Contact Us' page of travelcalumet.com.

Wondrous Lake Winnebago

BOAT LAUNCHES IN CALUMET COUNTY (FEES APPLY)

Brothertown Harbor
Stockbridge Harbor
Calumet County Park Harbor
High Cliff Marina

Sturgeon Spearing

The year starts frozen with a quiet stillness, but that changes in February, especially on Lake Winnebago. Sturgeon spearing season starts Saturday, February 11, and continues until Sunday, February 26, if the limit has not been met. A community of ice shanties scatter across the frozen lake as hopeful spearers partake in this annual tradition of trying to land one of these prehistoric, mammoth-sized fish. Even if you don't have a license to spear (licenses needed by Oct. 31), you can still get in the spirit. Stop by one of the registration stations for a first-hand glimpse of these monsters.

FISHING SEASONS ON LAKE WINNEBAGO

Walleye
Open Year Round
No size limit with a daily bag limit of five.

Northern Pike
May 6 – March 4, 2018
Minimum length of 26" with a daily bag limit of 2.

Lake Sturgeon
Feb. 11 – Feb. 26
7:00am – 1:00pm
Minimum length of 36" with a limit of 1 per license.

Enjoy a Lakeside Picnic

Pack your basket and enjoy the view from these following summer spots on Lake Winnebago:

High Cliff State Park is a multi-level state park offering panoramic views of Lake Winnebago from the top of limestone cliffs. The park is located at the northwest corner of the county, in the Village of Sherwood. Enjoy wooded trails that lead to ideal resting spots complete with picture perfect views. If you're fortunate, you'll also discover Native American Effigy mounds which dot the upper level of the park. To complete your day, climb the observation tower and take in the view only birds, and climbers like you, are privy to!

Calumet County Park is a perfect spot for families with children who want to enjoy a lakeside picnic. Let the children play and explore, and then stay for the night in a shore side campsite. The park is north of the Village of Stockbridge along Lake Winnebago. This 200-acre park spans 1 mile of lakeshore and offers 5 miles of hiking trails. To complete the family picnic, fish from the marina or bring your boat and cast away in front of your campsite!

Harbors

Launch permits are required at Calumet County Harbors. Purchase your daily launch permit on-site. The cost for a daily launch is $6.00. 2017 Seasonal Boat Launch Permits are available at the Calumet County Park Office and the County Clerk's Office. The 2017 Seasonal Boat Launch Permit cost is $35. This permit gives you access to Lake Winnebago from Brothertown Harbor, Calumet County Park Harbor and Stockbridge Harbor. Ask us about our multi-county launch permit!

Boaters may stay on their boats overnight in Stockbridge Harbor only. The overnight docks are along the north bulkhead. The fee is $10.00/night without electricity or $12.00/night with electricity. No long term docking is available. Each unit must register and pay docking fees in advance at the self-registration station. Each docking permit includes one electrical hook up per unit. Only one boat per slip is permitted. Boats staying overnight are permitted to park one vehicle overnight in the designated parking area. Reservations are not taken for the slips. A self-registering docking permit must be displayed at corresponding dock sites during entire stay whether the boat is docked or not. The maximum stay is three consecutive nights and then the boat must be gone for a minimum of three consecutive nights. Check out time is 11 a.m.

The *Brillion Wildlife Area* is one of three wildlife areas that are in Calumet County. The natural marsh, pond and forest make it a birding paradise for bird watchers. The *Brillion Nature Center* is located in the *Brillion Wildlife Area* and is home to nearly 6.5 miles of trails. The *Brillion Nature Center* offers classes and events throughout the year.

Ledge View Nature Center

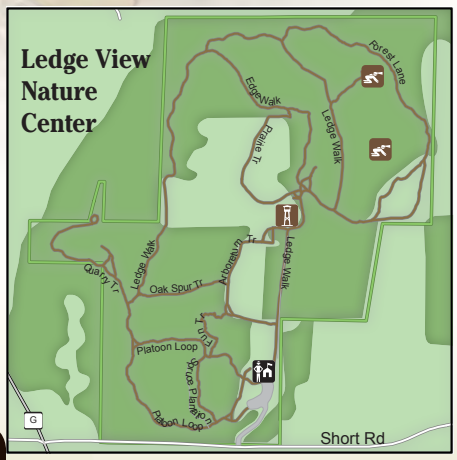
W2348 Short Road, Chilton
(920)849-7094, www.travelcalumet.com

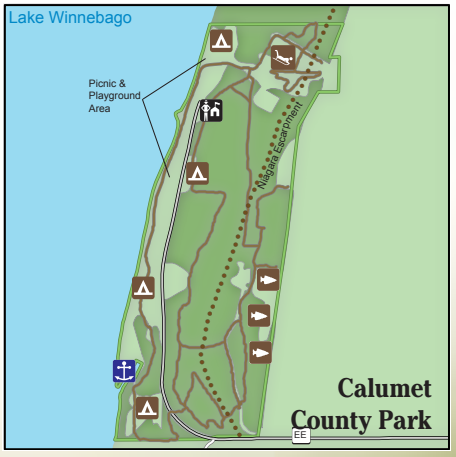
Ledge View Nature Center may be famous for their caves, but there are plenty of other activities to do with the whole family! Trails, a nature center, and a 60 ft. observation tower are a few of the attractions at Ledge View. No bikes or motorized items are allowed.

Calumet County Park

N6150 County Road EE, Hilbert
(north of Stockbridge)
www.travelcalumet.com

Calumet County Park is nestled between the shores of Lake Winnebago and the Niagara Escarpment. *Calumet County Park* offers over 5 miles of trails as well as a playground, camping, a marina and shore fishing. Stop by in the winter and check out the large





tubing hill!

High Cliff State Park

N7630 State Park Road,
Sherwood, (920)989-1106
http://dnr.wi.gov/topic/parks/name/highcliff/

High Cliff State Park is Wisconsin's fifth busiest state park. Come see why everyone visits this park year-round! There are miles of scenic trails, historical markers, camping and swimming. Stop by the park office to pick up a state park vehicle admission sticker.

Fox River State Trail

The *Fox River State Trail* connects Calumet County to Green Bay by trail! The Calumet County portion of the trail goes to Ott Road just north of Hilbert. The trail from Center Road to Ott Road is closed during gun season. The trailhead is located off of State Highway 10 on Holmes Road in Forest Junction.

Friendship State Trail

The Friendship State Trail intersects with the Fox River State Trail in Forest Junction. The 4-mile Friendship State Trail follows State Highway 10 between Forest Junction and Brillion.

Menasha Conservancy

A 50-acre getaway in the midst of the urban area. Enjoy a short hiking trail, wetlands, and an abundance of birds. Located about a half mile east of Oneida Street, on the north side of Highway 10 and 114.

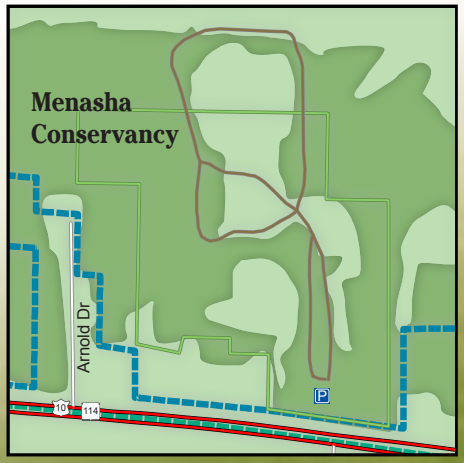
Kiwanis Park Area

1514 Parkview Drive
New Holstein, (920) 898-5766
ci.newholstein.wi.gov

Over 60 acres and 2.5 miles of trails are in the Kiwanis Park area. The park is located in the middle of New Holstein and offers several amenities including an outdoor aquatic center and fishing pond. Trails are either natural or paved.

Solomon Trail

A 2.25-mile, paved trail between Kiel and New Holstein along State Highway 32/57.



Rock On!

Calumet County invites you to explore its very own piece of an international geologic landform.

NIAGARA ESCARPMENT

Its towering, and sometimes jagged cliffs create a distinctive and beloved landscape in Northeast Wisconsin, especially here in Calumet County.

The Ledge is made of rock that was originally deposited as sediment on an ancient salt water sea floor that existed about 420 million years ago. The present-day cliffs were formed by millions of years of weathering and erosion, and enhanced by the actions of glaciers during the last ice age.

In Wisconsin, the Niagara Escarpment spans a distance of more than 230 miles and reaches from Waukesha County to the Door County Peninsula. It runs through the counties of Door, Kewaunee, Brown, Manitowoc, Calumet, Fond du Lac, Dodge and Waukesha. Internationally, the Niagara Escarpment is more than 650 miles long with hundreds of rare species and natural communities along it.

Calumet County offers many opportunities to view the Niagara Escarpment. High Cliff State Park in Sherwood, Calumet County Park in Stockbridge and Ledge View Nature Center in Chilton all have visible outcroppings of the Ledge with ample opportunities to view the landform hands on!

The Niagara Escarpment reaches its highest point at High Cliff State Park. The Wisconsin Department of Tourism has identified High Cliff State Park and the Niagara Escarpment as one of Wisconsin's 7 Natural Wonders. The cliff reaches 896 feet above sea level and gives panoramic views of Lake Winnebago and the surrounding counties on a clear day. The state park also offers a campground with a disability-friendly cabin, miles of trails including a horse trail and a 40-foot observation tower all atop the Ledge. A marina with a harbor is available as well as a small swimming area.

Calumet County Park is situated along the shores of Lake Winnebago with the Niagara Escarpment nestled behind it. Located at the site of an old brick-making company that used rock from the ledge, Calumet County Park has miles of trails that comb the Niagara Escarpment as well as a huge tubing hill that is used in the winter. A harbor is located in the park along with campsites right along the lakeshore!

The same rock formation that shaped the Niagara Escarpment isn't just on the shores of Lake Winnebago; it's also found in central Calumet County, specifically at Ledge View Nature Center. The nature center offers visitors miles of trails with scenic outcroppings of the Ledge. If you've ever wondered what the Niagara Escarpment looks like underground, then check out the caves at Ledge View Nature Center! The caves give you a peek at what goes on below the ground.

Driving through Calumet County will also give you a glimpse of the Niagara Escarpment. The rolling farm fields and hilly roads along the drive confirm that the Niagara Escarpment is embedded deep in the county. The Ledge, coupled with Lake Winnebago, gives breathtaking views of land

Spelunking at Ledge View

and water. Make sure to stop at the State Highway 55 and US Highway 151 lookout area to take some pictures of Calumet County's geologic treasure!

CAVE CRAWLING

Try something new—something cool, down, and dirty! Go caving!

You can experience it at Ledge View Nature Center, south of Chilton. Call (920)849-7094 for tour dates/times and reservations.

Carolyn's Caverns is a walk-through cave with the excitement of optional crawl passages. Bring a flashlight to explore the awesome world underground during the two-hour tour.

It may be hard to believe, but this cave system was a plugged-up sinkhole when it was discovered in 1986, filled with many tons of sand and gravel from glacial melt waters. Over the years, volunteers found the cave and passages by excavating. Even today the caves continue to be dug out, mostly by members of the Wisconsin Speleological Society, Wisconsin's caving club.

In this natural dolostone cave, you will find only a few stalactites and flowstone, thanks to the abrading action of the glacial melt water. But the adventure of discovery is around every corner, as the naturalist invites the kids, and the kids at heart, to explore passages, learn about Wisconsin's geology, or enjoy the musical acoustics under a sparkling ceiling.

With a depth of almost four stories, Dave's Sink is the deepest point in Carolyn's Caverns. The bowl-shaped ceiling shows the effect of swirling water pouring from a glacial-era underground waterfall. The cave had its origins back before the last glacial maximum, more than 18,000 years ago.

Accessed via two stairs, a ladder, and through a metal door, the cave varies in temperature, from 32°F in winter, when it's closed to protect hibernating bats, to the high 50°F in July. Though a sleeping bat may be seen on spring and fall tours, summer wildlife in the cave is scarce.

Mothers Cave is for the most adventurous! It involves plenty of belly crawling, with a ceiling height from 11 inches to a whopping 24 inches. This keeps a visitor down and dirty until the exit, a wiggle through the challenging "Squeeze." A little bit of rock climbing then brings the green world of the forest into view.

A cave tour is offered most weekends May through November, and many weekdays in summer. It's a cool place to be on a hot day!

Sunday, August 6
St. John/Sacred Heart Parish Car Show & Picnic
St. John/Sacred Heart School, Sherwood
Sunday 10:00am
Outdoor mass Sunday. Food, car show and fun for all!

Wednesday, August 9

Friday & Saturday, September 15-16
New Holstein City-Wide Fall Rummage Sale
New Holstein
Have items you want to buy or sell? Be part of the fall city-wide rummage sale.

Barn Quilts

Travel the countryside in search of these works of art!

The barn quilt, typically an 8 foot by 8 foot representation of a quilt square painted on plywood and hung on a barn, has made its way to the rural landscape of Calumet County. These pieces of art cause us to pause, take notice of the surrounding beauty and reflect on the cultural contribution that agriculture has made to the area. We invite you to drive our rural roads and visit our barn quilts.

These quilts were done through the Calumet County Barn Quilt Program, which utilizes community volunteers and donors. The program is young and growing so we hope you come back again year after year to see the changes. Go to www.travelcalumet.com for a current list of locations. The locations of the barn quilts listed here are on the Calumet County Map on pages 16-17.

Visit Historic

New Holstein

New Holstein, founded in May of 1848, is typical of mid-western rural prairie communities formed around the railroad freight and passenger stations.

The Timm House
1600 Wisconsin Avenue

The ***Timm House***, built in 1873, is one of the Midwest's finest remaining "Stick-style" Victorian Homes. As the recipient of a 1.2 million dollar refurbishment project completed in 2007, the Timm House is a resplendent example of Victorian Era living in a rural Wisconsin community. The home is open for tours from the first weekend in May through the last weekend in October, on Saturdays and Sundays, from 1:00 to 4:00pm. Tours, by appointment, are also available by calling (920) 898-5746. Special hours are offered during the month of December for a yearly themed "Christmas at the Timm House". An admission fee is charged.

Pioneer Corner Museum
2103 Main Street

The ***Pioneer Corner Museum***, located in a building which served as one of New Holstein's early General Stores, houses an extensive collection of artifacts, displays, and vignettes focused on the community's history. A glimpse at late 1800's New Holstein may be found in the museum's Main Gallery which contains vignettes of period city businesses as well as a one-room school house. The South Gallery features, among other exhibits, the Fenn Button Collection, one of North America's finest historical button collections. A variety of historical tools and equipment are on display in the North Gallery as is a diorama of late 1800's New Holstein. Pioneer Corner Museum, like the Timm House is open seasonally on Saturdays and Sundays, from 1:00 to 4:00pm, beginning on the first weekend in May and running through the last weekend in October. Special tours are also available by calling (920) 898-5746. An admission fee is charged.

FROM HORSE & PLOW TO HORSEPOWER!

Visit the Ariens Company Museum for walk through history as America's reliance on power equipment took shape.

- *Refurbished Equipment*
- *Vintage Photos, Catalogs and Advertisements*
- *Marketing Memorabilia*
- *Historical Wall Murals*

NEW in 2016! A 3,000 sq. ft. display highlights the 100-year history of the Gravely® brand of power equipment starting with the Gravely Motor Plow and Two-Wheeled Tractor. Gravely had many owners including Studebaker Packard Corp. and McGraw Edison. Ariens Company acquired the company in 1982, but now you can step through the entryway of the red-brick replica for a perspective of the original Gravely factory in 1922.

Visitors and tour groups welcome. Meeting space available. Call (920) 756-2141 for scheduling.
